Dear Captains of the 2009 TSL Volleyball Teams:

We look forward to your return and participation in our WINTER 2010 session. The next session will begin **Tuesday, January 5th**, ending February 23rd. We are proud to be one of the longest running leagues and certainly the strongest in the St. Louis area. Thank you for your participation and interest in TSL Volleyball for we are only as strong because of YOU.

Attached is the league Waiver form, please be sure your teammates review this form. Signatures are not needed. Submission of the player's name on the team roster will constitute an electronic signature and confirms your players have reviewed and understand the Waiver form.

Also attached is the Team Application form. Please review and submit via email to TSL-VB@teamsaintlouis.org. We hope to accommodate all applicants. Keep in mind...space is limited, so please return your Team Application as soon as possible. To help enhance competition and managing the league, there will be a maximum number of teams allowed per division and are as follows:

- 1) Power Division – 6 teams.
- 2) Advance Division – 12 teams.
- 3) Intermediate Division – 6 teams.
- 4) Recreational Division – 6 teams.

Capping the number of teams per division will boost competition and level out play in our league. In the event that a division reaches maximum capacity, teams will be accepted based on the following criteria: a) returning teams from past years and b) if necessary, date the application was received. The deadline for applications is **Friday December 25th** to allow a sufficient amount of time to finalize the WINTER 2010 schedule.

As in years' past, please note:

1. A minimum of 4 teams is needed for a division to exist.
2. Teams may be moved up (or down) a division depending on availability and team's ability at the director's and / or division coordinators' discretion.

Again, we hope to accommodate all teams and your division request. However, unfortunately time and space are restricted. We will do our best to coordinate your needs and are grateful for your understanding of this matter. Thank you in advance.

REMINDER: Team fees are \$200.00 per session and due by the 2nd week of the league session. Please make checks payable to **TSL** and payment may be given to our League Administrator, Todd Ackerman. Mr. Ackerman will be available at the facility during the first few weeks of the FALL session.

We are excited about the WINTER session and hope your team enjoys it.

Thank you.

David Reyna
TSL Volleyball League Director
